About The Arc

The Arc of Central Alabama supports people with intellectual and developmental disabilities throughout their lives. We provide a personal support system that includes education, enrichment activities, healthcare and housing. The Arc is the largest provider of these services in the State of Alabama.

Government funding is vital to The Arc's ability to impact the lives of over 700 people served annually. However, the available funding has only increased 4% since the 1990's. Unfortunately, the cost of quality programming for those who need it most has continued to increase. This is why we need your support! Fundraising efforts, like The Arc Show, help offset the funding gap so individuals with I/DD can truly achieve their dreams of finding a job or living independently.

The Arc Show

Make plans now to join us for our first ever Arc fundraiser in Blount County, The Arc Show! This event will be held on March 1, 2019. Please Remember that your sponsorships and donations are tax deductible and help support the mission of The Arc of Central Alabama.

20% of sales will go directly back to each artist. The remainder of funds raised will support the general operating funds of The Arc of Central Alabama's Blount County locations! Through participation in the visual arts, individuals with disabilities can use their talents and abilities to explore and express themselves and to connect and share.

The visual arts provide opportunity for creative self-expression of one's internal state, which must be expressed for well-being and growth. For people with disabilities, the production of something tangible and uniquely one's own can increase self-efficacy and self-determination. Art production can facilitate choice-making, self-expression, and when created in an inclusive setting, can foster community involvement and social skills.
