

*Central Alabama*

**N. BROOKS GREENE, CPA, CGMA  
VICE PRESIDENT/CHIEF FINANCIAL OFFICER**

N. Brooks Greene became the Chief Financial Officer/Vice President of The Arc of Central Alabama in the spring of 2013. Brooks oversees all of the financial, business and human resource applications of The Arc as well as nine other entities. Currently the financial and business operations maintain a \$30 million budget, provide representative payee functions to more than 300 individuals, and manage 6 HUD projects. Brooks also directs the human resources department, which facilitates the recruitment, benefits, scheduling, and training of more than 600 Arc employees.

Prior to joining The Arc, Brooks spent nine years in public accounting focusing on financial accounting engagements in the non-profit sector. Immediately prior to joining The Arc he was the audit manager with Haynes Downard LLP for six years. In that position he specialized in the non-profit arena by managing audit engagements for the largest non-profits in Alabama. Besides overseeing audits at multiple field sites, part of his responsibilities included consulting with more than 50 non-profits regarding fraud reduction, financial reporting and their overall business operations.

Brooks attended the University of Alabama and graduated with a Masters of Accountancy. He currently holds the designees of Certified Public Accountant and Chartered Global Management Accountant. He is a member of the following organizations: American Institute of Certified Public Accountants; Alabama Society of Certified Public Accountants; and Southeastern Affordable Housing Management Association.

Brooks lives in Shelby County with his wife Amy and two children, Helen and Libba. He is an active member of his church community at Cross Bridge Church, where he serves as the Vice Chair of the Finance Committee. Brooks also is committed to community service outside of The Arc. He serves on the Board of Directors of Project SHARE, Service to Help Alabamians with Relief on Energy, providing emergency energy assistance to elderly and disable Alabamians in peak summer and winter months. His service also extends to the Rate Setting Committee of that organization.
